

The Akron Soccer League
has been serving the youth
of our community for over
30 years!!

Akron Soccer League's philosophy encourages positive self-esteem, personal responsibility, teamwork, acceptance of and learning from disappointment and success, as well as perseverance. We believe that quality soccer can and should be developed, and that it should be fun. Therefore, the emphasis of our program is not on who wins, but how the players develop, and most importantly, did they have fun in doing so. We want all participants to reach their full potential and to enjoy themselves in the process.

***The In-House League is a non-competitive,
developmentally based, FUN league.***
